Fr. Siphrianus Sadipun

Chairman/Director

Plan 2024

Continuing to facilitate our integrated development project with a sustainable socio-economic impact consisting of several sub-projects: education/training; construction of clean water installations: sanitary facilities in homes and schools; horticultural projects.

CFN works closely with the residents of the villages led by the village elder, with the Indonesian foundation "Yayasan Caritas Kediocese Agung Ende" and with the district authorities on Flores (NB presidential elections in Indonesia will take place in the period February-June 2024) .

CFN will continue to raise funds through fundraising activities, donations, legacies and/or inheritances to adequately finance our charitable projects.
